

SANFORD GUIDE with Stewardship Assist

- Your antibiograms
- Your stewardship guidelines
- Industry-leading Sanford Guide content
- Available via mobile app and on the web
- No IT expertise necessary

*Let Sanford Guide
take the hassle
out of developing
your antimicrobial
stewardship app.*

A recent study* investigated antibiotic prescribing decisions among a group of medical residents. The study showed that:

72% of residents relied on Sanford Guide for the selection of empiric therapy

90% of residents were aware of institutional antibiograms, but only

44% know how to access them.

*Tallman et al, Infect Control Hosp Epidemiol. 2018 Mar 1:1-6. [Epub ahead of print].

HOW STEWARDSHIP ASSIST WORKS

Setup for most facilities can be accomplished in under one week.

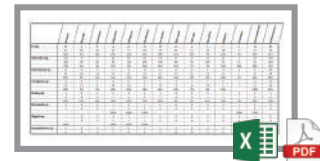

OUR CONTENT
SANFORD GUIDE

YOUR GUIDELINES

YOUR ANTILOGRAMS

USER-FRIENDLY EDITING PORTAL

ACCESSIBLE SYSTEM-WIDE VIA APP & WEB

Simplify the dissemination of your antibiograms and stewardship guidelines with our user-friendly interface.

Provide prescribers with the information they need for appropriate administration of antibiotics, reducing the need for interventions by your stewardship team.

Improve quality of care and reduce costs associated with medical error.
