Long Grove Pharmaceuticals[®] acquired the AK-FLUOR[®] (Fluorescein Injection, USP) NDA from Akorn Pharmaceuticals in June 2023. To ensure the consistent availability of Fluorescein Injection, USP prior to its relaunch as a Long Grove Pharmaceuticals product, Long Grove Pharmaceuticals has reached a distribution agreement with the FDA Office of Drug Shortages through the Regulatory Discretion process. As a result, Long Grove Pharmaceuticals will make available the existing AK-FLUOR inventory manufactured by Akorn Pharmaceuticals.
